

July 9, 1884

Anderson, Frances

Mrs. Frances S. Anderson.

This amiable and lovely young wife and mother died on the night of Wednesday, July 9, 1884. Her three little children, too young to realize their loss, are a precious consolation to the bereaved husband. Many friends both here and elsewhere sympathize with him in his affliction; but in such an hour consolation can only come from on High.

The funeral services were conducted by Rev. E. N. Hall at the residence Thursday evening at 8 o'clock. The remains were then taken to Mobile for interment in the family lot.
